## **Regulations Fox duo subscription 2020**

Participants must register via the registration form, thereby submitting a passport photo of the main tenant and of both tenants a copy of a valid proof of identity. Payment can be made by transferring the subscription fee to the account number stated on the registration form. After payment, the pass will be sent within 10 days to the rental location you specified where you can collect the pass. If the application is made before the start of the season, the card will be ready by 1 April at the latest. If you have received the pass, you can sailing without worries! The duo subscription is for a maximum of 2 persons, these cannot be changed during the course of the season

### **The pass is:**

- Personal (both names on the pass), and not transferable.
- Valid for the period 1 April to 1 October in the issued year.
- Valid for the 2nd person in combination with an identity document.

### **Availability and reservation:**

- Making a reservation or requesting availability must be done by telephone with the relevant location.
- You can reserve in advance per location once a week.
- Last minute sailing? That is possible: call or drop by on the day itself, if a boat is available you can make a reservation or sail directly.
- When booking in advance: max. 3 days in advance.
- You can place a reservation at several locations per week.
- You cannot sail at 2 locations at the same time with the duo subscription.
- When booking several consecutive closed days at 1 location, the card can be used for 1 day, the remaining days must be paid on location. The costs vary per location.
- At all rental locations a outboarder is included.

### **Rental period:**

- You sail under the rental rules of the relevant landlord (available there)
- You must always report in advance at the reception. Here your data will be noted and you will be informed which boat you can take with you. Some locations require a deposit, which must be paid in advance each time. Afterwards you must report that the boat is back and if damage has been made or there are defects to the boat, report this. Damages incurred are handled in accordance with the rules of the relevant landlord.
- The pass must always be shown upon registration.
- The boats must always be cleaned after the rental period.

If you cancel on the day itself or do not show up, € 70 will be charged. You will receive an invoice for this. You must pay this within 14 days. (We are unfortunately forced to include this, in practice it appears that this boat is usually no longer rented).

**The pass can be withdrawn without refund if:**

- The material is not treated properly according to the assessment (rules) of the lessor.
- The pass is used for commercial purposes.
- The card is being misused.

In the event of loss or theft, a new card must be requested. For this duplicate € 10 will be charged.

When moving, the new address must be passed on to the administration from De Randmeren (+31 (0)321-700245).

The subscription is valid for 1 season and is not automatically extended. For the New Year you must register again.
